

LONNIE NUTT MEMORIAL

HON. PHIL GINGREY

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Monday, March 18, 2013

Mr. GINGREY of Georgia. Mr. Speaker, I rise today with a heavy heart to honor the memory of Lonnie Lee Nutt, a City of Marietta, Georgia firefighter, and fallen hero. On the evening of March 7th—at the young age of 49—Nutt was in the line of duty, assisting the victim of a car accident when he tragically suffered a fatal heart attack.

For nearly 20 years, Nutt selflessly served and protected his community as a firefighter, inspector, investigator, and most recently as a firefighter engineer.

He was a tested veteran and deeply respected by his colleagues. But more importantly, he was a devoted husband to his wife Rosa, and loving father to his daughter Cassandra.

Mr. Speaker, I extend my deepest felt condolences to his family and friends, his fellow firefighters, and the Marietta community for their loss during this most difficult time.

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, March 18, 2013

Mr. SWALWELL of California. Mr. Speaker, I rise today to recognize my friend, Mr. Rob White, for his contributions to the innovation community of the Bay Area. Rob recently announced that he is stepping down as CEO of the iGate Innovation Hub and as Director of Economic Development for the City of Livermore, California. As cofounder of the iGate hub, Rob was instrumental in establishing a broad regional partnership that is helping le-

verage public investments at the Lawrence Livermore and Sandia National Laboratories into economic development that benefits the growth of small businesses focused on bringing new green energy technologies to market.

Just last year, the White House named Rob a Champion of Change for Local Innovation, acknowledging him as "a thought leader in government led collaborative networks, public policy assessment in support of entrepreneurship, and economic development frameworks that focus on technology growth and innovation." Under Rob's leadership, iGate received an award for Regional Collaboration from the International Economic Development Council, the Thomas H. Muehlenbeck Award for Excellence in Local Government from the Alliance for Innovation; and the Outstanding Partnership Award from the Federal Laboratory Consortium, Far West Region.

Rob has worked for more than two decades in researching, assessing, and developing the ecosystem for regional innovation networks. His tireless support of small businesses, focusing on green transportation and clean-energy technologies, is already helping transform the economic climate in the Tr-Valley area and the region at large.

On a more personal note, Mr. Speaker, Rob has played a vital role in assisting me in the development of my economic policy and strategy. I was honored when he agreed to serve on my Economic Development Advisory Committee and I have learned a great deal from him. I want to thank Rob for his contributions to the East Bay. I wish him the best of luck as he begins this new chapter of his life.

RECOGNIZING LAILA GORING

HON. TULSI GABBARD

Monday, March 18, 2013

Ms. GABBARD. Mr. Speaker, I rise today to highlight a very special member of my team, Laila Goring. Laila is a University of Hawai'i student and former soldier who has been serving in my office as an intern this spring. Friday was her final day on Capitol Hill.

In her work, she has truly displayed the aloha spirit and a heart for servant leadership. She has set the bar high for our internship program, and I hope many more students like Laila will serve and learn in my office.

A congressional internship should not be about grabbing coffee or making copies, but about learning and growing in an environment that encourages service. Our students have so much to offer, and we have the opportunity to cultivate the next generation of leaders by demonstrating firsthand the value of public service.

Mahalo nui loa, thank you very much, Laila, and we wish you the best of luck as you continue to pursue your goals.
